Speed Networking: DC Area

Oct 11 2023 bit.ly/bnoct23

Biotech Networks Scientific Speed Networking DC Area October 11th 2023

We are happy to announce our first event in the Washington, DC/Maryland Virginia area on October 11th at **Rock Bottom Brewery** in Bethesda, Maryland. This central location is convenient to DC, NIH, the biotech companies along the I-270 corridor, and we hope life science professionals from Baltimore, Frederick, and Virginia will be able to make it. Of course, we would be happy if our followers from Delaware, Philadelphia, New York or even North Carolina can attend, and would also give us ideas for locations of 2024 events closer to them. **Click here to register**, we can't wait to share Scientific Speed Networking with the Capital Region!

Tickets are \$35 and we'll provide a casual dinner, a beverage, next-level nametags, directed activities to facilitate connections, all as part of our patent-pending Scientific Speed Networking™ that makes connecting easy.

Sponsorships available, email info@biotechnetworks.org
